SALES CONDITIONS and RETURN

The vendor ensures that the watch is original, his/her property and clear of third-party rights. Because it is a **private sale** there are no claims to warranty, guarantee or retraction. While delivering the watch the vendor ensures its intactness unless the watch is clearly described and sold as defective.

Moreover the vendor concedes a temporary **right to return** towards Uhrenkapital GbR within one week after the delivery of the wristwatch. This is only valid if the watch is in the same condition as it was while delivery.

If there is any flaw which was not visible during the delivery, like a not mentioned water damage or no original parts, the vendor has to bear the transport costs.

TRANSPORT and COMMUNICATION

We organize the transport of your watch with the assistance of our special transport partner.

The timepiece will find its way safely and what's more, insured to us.

The Uhrenkapital GbR takes over all the incurred costs.
